

# February

## Armour Care LLC Newsletter.

The goal of the newsletter is to help us keep you informed of what is going on at your child's, childcare center.

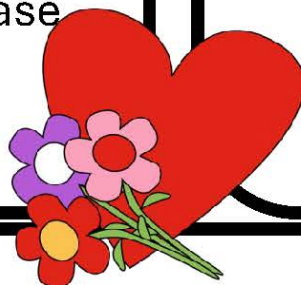

### Quote of the Month

"Every child has a right to his fifth year of life, his fourth year, his third year. He has a right to live each year with joy and self-fulfillment. No one should ever claim the power to make a child mortgage his today for the sake of tomorrow."

Dr. Jimmy Hymes

### Outside Play:

Please dress your child appropriately for the weather outside. If the weather is not too cold and rainy, we will still go outside to play. So please remember coats and shoes for your child.
